

Kaitlin Light Costello

June 2025

Title and address

Associate Professor
Rutgers, the State University of New Jersey
School of Communication and Information
4 Huntington Street
New Brunswick, NJ 08901

Contact Information

Tel: 848-932-7153
Email: k.costello@rutgers.edu
Web: www.k8lin.com
ORCID: 0000-0002-1589-7418

Education

- 2015 PhD in Information and Library Science
University of North Carolina at Chapel Hill
Chapel Hill, NC
Dissertation: "Social information behaviors in the context of chronic kidney disease: Information seeking and disclosure in online support groups."
Chair: Dr. Barbara Wildemuth
- 2008 MS in Library and Information Science; Certificate in Special Collections
University of Illinois at Urbana-Champaign
Urbana-Champaign, IL
- 2005 AB in Film, Concentration in Poetry and Poetics
Vassar College
Poughkeepsie, NY

Academic appointments

- 2022- Associate Professor
Department of Library and Information Science, School of Communication and Information, Rutgers, the State University of New Jersey, New Brunswick, NJ.
- 2015-2022 Assistant Professor
Department of Library and Information Science, School of Communication and Information, Rutgers, the State University of New Jersey, New Brunswick, NJ.
- 2011-2013 Predoctoral Fellow
National Institute of Nursing Research T32 training grant
Interventions for Preventing and Managing Chronic Illness
School of Nursing, University of North Carolina at Chapel Hill, NC.
PIs: Drs. Merle Mishel and Sheila Santacroce; Advisor: Dr. Mi-kyung Song
- 2009-2011 Doctoral Fellow
Institute of Museum and Library Services training grant
Carolina Digital Curation Curriculum Project, School of Information and Library Science, University of North Carolina at Chapel Hill, Chapel Hill, NC.
PIs: Drs. Helen Tibbo and Cal Lee
- 2007-2008 Graduate Assistant Program Manager
Illinois Digital Environment for Access to Learning and Scholarship [IDEALS digital repository], University of Illinois at Urbana-Champaign, Urbana-Champaign, IL.

Awards and honors

- 2020 Outstanding Faculty Support to the Rutgers Graduate Community, Rutgers University Graduate Student Association
- 2020 Annual Faculty Outstanding Teaching Award, Department of Library and Information Science, Rutgers University School of Communication and Information
- 2018 ASIS&T SIG-USE Elfreda A. Chatman Research Award, with Devon Greyson, for “Sympathy Sockpuppets: A Pilot Study on Non-Nefarious Online Community Infiltration.”
- 2017 Annual Faculty Outstanding Research Award, Department of Library and Information Science, Rutgers University School of Communication and Information
- 2016 Lifetime Member, Beta Phi Mu Honor Society, Epsilon Chapter, NC
- 2014 Eugene Garfield Doctoral Dissertation Award, Beta Phi Mu International Library and Information Studies Honor Society.
- 2014 Royster Dissertation Completion Fellowship Graduate School, UNC-CH.
- 2013 Thomson Reuters Doctoral Dissertation Proposal Award, ASIS&T.
- 2013 Future Faculty Fellow, Center for Faculty Excellence, UNC-CH.
- 2012 Lester Asheim Merit Fellowship, UNC-CH SILS.
- 2011 Student Travel Grant and Mentoring Program, Workshop on Interactive Systems in Healthcare in Washington, DC.
- 2011 Margaret Ellen Kalp Fellowship, UNC-CH SILS.

Publication awards and honors

- 2022 Top 10 most cited article published in *Library and Information Science Research*, 2019-2020, for Floegel, D. & Costello, K.L. (2019). Entertainment media and the information practices of queer individuals. *Library and Information Science Research*, 41(1), 31-38.
- 2020 Association for Information Science and Technology (ASIS&T) SIG-USE Early Career Best Paper Award, for Costello, K.L. & Floegel, D. (2020). “Predictive ads are not doctors”: Mental health tracking and technology companies. [Published in *Proceedings of the 83rd Association for Information Science and Technology 83rd Annual Meeting*.] Award presented at SIG-USE Symposium, Oct 23, 2020.
- 2018 Research Section award honorable mention, Medical Library Association, for Costello, K.L., & Brown, N. (2018). Coverage of core competencies for health information professionals. Award presented at MLA Annual Conference, Atlanta, GA, May 23, 2018.

Publications

*Co-author was a doctoral student at Rutgers SC&I.

†Co-author was an undergraduate student at Rutgers SC&I.

Invited talks

1. The gamification of everything: A conversation with Adrian Hon and Kaitlin Costello. *Metafilter Online Events*. Dec 11, 2022. Online.
2. Equity and online moderation in health communities. *Spinal CSF Leak Foundation*. Jan 20, 2022. Philadelphia, PA and online due to COVID-19.
3. Algorithmic bias in healthcare: What every information professional needs to know (discussion moderator) with Tawfiq Ammari, Vivek Singh, and Charles Senteio. *Rutgers School of Communication MI Colloquium*. Feb 24, 2021. Online due to COVID-19.
4. Sympathy sockpuppets in online communities. *SIG-USE Annual Research Symposium*. Oct 19, 2019. Melbourne, Australia.
5. Health information behavior. *Rutgers School of Communication and Information (SC&I) New Faculty Colloquium*. Oct 7, 2015. New Brunswick, NJ.
6. Investigating information seeking and disclosure in online support groups for chronic kidney disease, Thomson Reuters Doctoral Dissertation Proposal Award invited talk. *76th ASIS&T Annual Meeting*. Nov 1-5, 2013. Montreal, Canada.
7. Who is DigCCurr? Summary of pre-institute survey responses. *Curation Practices for the Digital Object Lifecycle: DigCCurr Institute*. May 16, 2011. Chapel Hill, NC.
8. Personal health records: Their role and purpose in people's lives, with Barbara Wildemuth, *Duke/UNC-Chapel Hill Joint Informatics Research Seminar Series*, Mar 30, 2011. Durham, NC.
9. Measuring more, publishing more: Alt-metrics and data publishing, with Jason Priem and Heather Piwowar, *UNC Scholarly Communications Group*, Jan 12, 2011. Chapel Hill, NC.

Grants

- 2019-2022 "Towards Fairness in Mental Health Prediction Apps," Co-PI Vivek Singh, Community Design for Health and Wellness—Institutional Research Grant, Rutgers University. \$18,000.
- 2018-2019 "Information labor in patients with chronic pain: A mixed-methods information interaction study," Grants for Individual Faculty Research, Rutgers School of Communication and Information. \$5,000.

Teaching

Courses taught

* Indicates that I designed or fully re-designed the course.

Rutgers University

- Undergraduate Byrne Seminar Program: Data Doubles and Digital Traces* (090).
- Undergraduate ITI Program: Social Informatics (200).
- Graduate MI Program: Algorithms and Society* (590), Health Sciences Information* (545), Human Information Behavior (510)*, Health Information in Everyday Life*.
- Graduate PhD Program: Human Information Behavior* (612).

University of North Carolina at Chapel Hill

- Graduate MLIS Program: Human information interactions (500), Introduction to Archives and Records Management (556).

Concentration coordinator

2023- Concentration Coordinator, Health information, Rutgers Master of Information program

Methods workshops and guest lectures

1. 2023 Feb 18, "Constructivist grounded theory: Six essential methodological elements," *PhD Seminar in Qualitative Methods* guest lecture for Dr. Marie L. Radford, Rutgers SC&I.
2. 2021 Feb 25, "Experiential media research and constructivist grounded theory," *PhD Seminar in Experiential Media* guest lecture for Dr. John Pavlik, Rutgers SC&I.
3. 2021 Feb 9, "Using constructivist grounded theory for theory expansion in library and information science," *PhD Seminar in Qualitative Methods* guest lecture for Dr. Marie L. Radford, Rutgers SC&I.
4. 2019 Dec 6, "The constructivist grounded theory methodology," *PhD Methods Workshop Series*, Rutgers SC&I. 3 hour workshop with individual and group exercises; 18 doctoral student and faculty participants.
5. 2018 Feb 17, "Vivid task elicitation for interactive information retrieval research," *Groundwork VI Workshop*. Claryville, NY. 4 hour invited methods workshop with individual and group exercises; 10 interdisciplinary faculty participants.
6. 2017 Dec 15, "Memoing as a tool for verifying trustworthiness in qualitative research," *ASIS&T Student Chapter Methods Workshop*, Rutgers SC&I. 4 hour invited methods workshop with individual and group exercises; 12 doctoral student participants.
7. 2016 Nov 3, "Multi-moment timeline and critical incident interviews," *InfoSeeking Lab* invited workshop, Rutgers SC&I. 1.5 hour guest lecture with workshop; 9 doctoral student participants.

8. 2015 Nov 19, "Grounded theory: Integrating mixed methods into interactive information retrieval research," *InfoSeeking Lab invited talk*, Rutgers SC&I. 1.5 hour guest lecture with workshop; 8 student participants.
9. 2015 Sept 18, "Using grounded theory in practice," *Everyday Life Information Seeking (MLIS)*, guest lecture for Leslie Thomson, UNC-CH SILS.
10. 2013 Apr 12, "Constructivist grounded theory for information seeking and use research," *PhD Seminar in Theory Development*, guest lecture for Dr. Barbara Wildemuth, UNC-CH SILS.
11. 2011 May 20, "Software: Choices and options for digital curation." *Curation practices for the digital object lifestyle: DigCCurr Institute*. Chapel Hill, NC. 1.5 hour methods workshop with individual and group exercises.
12. 2011 Jan 7, "Archiving scholars' tweets: A practical approach." *Curate Me: Stewardship of Personal Digital Archives Conference*. Chapel Hill, NC. 1.5 hour methods workshop with individual and group exercises.

Guest lectures

1. 2024 Dec 5, "Feminist technoscience and information science," *PhD Proseminar* guest for Dr. Melissa Aronczyk, Rutgers SC&I.
2. 2023 Sept 14, "Feminist technoscience and information science," *PhD Proseminar* guest for Dr. Melissa Aronczyk, Rutgers SC&I.
3. 2018 Feb 21, "Social media and information labor," research from the SC&I Social Media and Society Cluster panelist, *PhD Colloquium* guest lecture for Dr. Jen Theiss, Rutgers SC&I.
4. 2017 Sept 20, "Tech and social media" panelist, *PhD Colloquium* panel member for Dr. Mary Chayko, Rutgers SC&I.
5. 2017 Apr 12, "A spectrum of information engagement in health information behavior," *Human Information Behavior (MI)* guest lecture for Sarah Barriage, Rutgers SC&I.
6. 2016 Dec 1, "Health Information," *PhD Seminar in Information Studies* guest lecture for Dr. Nina Wacholder, Rutgers SC&I.
7. 2016 Mar 10, "Personal health records: Preservation issues," *Current Issues in Archives and Preservation (PhD)* guest lecture for Dr. Marija Dabello, Rutgers SC&I.
8. 2016 Mar 3, "Strategic engagement with medical evidence," *Cancer Epidemiology* guest lecture for Dr. Adana Llanos, Rutgers School of Public Health.
9. 2015 Dec 3, "Health information," *PhD Seminar in Information Studies* guest lecture for Dr. Nina Wacholder, Rutgers SC&I.
10. 2015 Dec 2, "Research in health and wellness" panelist, *PhD Colloquium* panel member for Dr. Marie L. Radford, Rutgers SC&I.
11. 2013 Mar 5, "Personal health information: Privacy and disclosure," *Health information sharing in social media (MLIS)*, guest lecture for Annie Chen, UNC-CH SILS.
12. 2012 Nov 11, "Delivering informational resources to dialysis patients." *From theory to intervention in chronic conditions (PhD)*, guest lecture for Dr. Merle Mishel, UNC-Chapel Hill School of Nursing.

13. 2012 Sept 31, "Critical appraisal and evidence-based research," *Nursing inquiry and evidence-based practice (undergraduate)*, guest lecture for Dr. Sheila Santacroce, UNC-Chapel Hill School of Nursing.
14. 2011 Apr 11, "Citing in online social networks: Scholars on Twitter," with J. Priem. *Retrieving and Analyzing Information (undergraduate)*, guest lecture for Rachael Clemens, UNC-Chapel Hill SILS.

Workshop mentor

1. 2023 October 30: Mentor, ASIS&T Doctoral Colloquium, London, England and online. Served as faculty mentor to doctoral candidate in library and information science.
2. 2023 Feb 17: Mentor, iConference 2023 Doctoral Colloquium, Barcelona, Spain and online. Served as faculty mentor to 2 doctoral candidates in library and information science.
3. 2019 June 18-22: Mentor, Consortium for the Science of Socio-Technical Systems (CSST) Summer Institute, New Brunswick, New Jersey. Served as faculty mentor to 3 doctoral students throughout this 5-day event attended by approximately 70 doctoral and faculty researchers.
4. 2019 Jan 15-17: Faculty mentor and lecturer, Rutgers SC&I PhD Winter Writing Workshop. Served as faculty mentor to doctoral students during this 3-day writing workshop attended by approximately 15 SC&I doctoral students and faculty. Gave short talks on drafting abstracts, writing literature reviews using concept matrices, and time management strategies.

Continuing education

- 2023 Member, Inclusive Teaching Community of Practice, Rutgers SC&I
 2023 Aug 30 Participant, Active Learning Online 101, Rutgers Active Learning Community

Students supervised

All students at Rutgers SC&I unless otherwise specified.

Doctoral dissertation chair – completed

- 2021 Connie Pascal (PhD). Library and information science. Dissertation: Exploring the information practices of cannabis nurses.

Doctoral dissertation chair – in progress

- 2024-present Veronica Armour (co-advised with Dr. Charles Senteio), Library and information science. Research interests: information behavior, higher education, entrepreneurship.
- 2022-present Xiaotong Du, Library and information science. Research interests: information behavior and practice, sustainability, food sciences.
- 2020-present Jordan Dias Correia, Library and information science. Research interests: information behavior, public health, trans studies.
- 2018-present Maria Ortiz-Myers, Library and information science. Dissertation (working title): Information practices of parents of transgender and non-binary youth.

Doctoral dissertation committee member

- Present Morgan Lundy (Information science, University of Illinois at Urbana-Champaign). Dissertation: Disability storytelling and TikTok; chaired by Dr. Madelyn Sanfilippo.
- 2025 Laura Costello. Chaired by Dr. Marie Radford.
- 2025 Kaitlin Montague. Chaired by Dr. Jeffrey Lane.

- 2022 Katie Park (PhD). Dissertation: A design intervention to reduce online incivility; chaired by Dr. Vivek Singh.
- 2021 Deborah Garwood (PhD, Information science, Drexel University). Dissertation: To your health: Social memory, discursivity, and legacies of health and wellness in US medical history collections; chaired by Dr. Alex Poole.
- 2021 Diana Floegel (PhD). Dissertation: Investigating structural articulations of power in information creation: a constructivist grounded theory of queer-created fanfiction; chaired by Dr. Marie L. Radford.
- 2021 Sarah Fadem (PhD, Communication, Rutgers University). Dissertation: Design for sensemaking in complex and ambiguous medical situations; chaired by Dr. Lisa Mikesell.
- 2021 Manasa Rath (PhD). Dissertation: Assessing the quality of user-generated content in the presence of automated quality scores; chaired by Dr. Chirag Shah.
- 2020 Jiquin Lu (PhD). Dissertation: A state-based approach to supporting users in complex search tasks; chaired by Dr. Chirag Shah.
- 2020 Yiwei Wang (PhD). Dissertation: Authentic vs. synthetic: a comparison of different methods for studying task-based information seeking; chaired by Dr. Chirag Shah.
- 2018 Miraida Morales (PhD). Dissertation: Why health information is hard to read; chaired by Dr. Nina Wacholder.
- 2016 Si Sun (PhD). Dissertation: Personal health information management in diabetes; chaired by Dr. Nick Belkin.

Qualifying exam committee member

- Upcoming Nayana Kirasur, Library and information science.
- 2025 Emma May, Library and information science.
- 2025 Veronica Armour, Library and information science.
- 2025 Daniel Houli, Library and information science.
- 2022 Matthew Ackerman, Library and information science.
- 2022 Laura Costello, Library and information science.
- 2022 Kaitlin Montague, Library and information science.
- 2020 Katie Park, Library and information science.
- 2019 Diana Floegel, Library and information science.
- 2019 Shannon Taber, Library and information science.
- 2018 Sarah Fadem, Communication.
- 2018 Manasa Rath, Library and information science.
- 2017 Connie Pascal, Library and information science.
- 2017 Miraida Morales, Library and information science.
- 2017 Yiwei Wang, Library and information science.

Graduate supervision

Independent studies and practicum

- 2022 Fall Jordan Correia, "Understanding Medical Librarians' Role in LGBTQ+ Competency." *PhD practicum*.
- 2021 Fall Matthew Ackerman, "How gay and bisexual men search for mental healthcare during the COVID-19 pandemic." *PhD practicum*.

- 2020 Fall Kaitlin Montague, "Information practices in vanlife." *PhD practicum*.
- 2019 Fall Maria Ortiz-Myers, "Information & communication practices of parents with transgender children." *PhD practicum*.
- 2018 Fall Diana Floegel, "Applying grounded theory methods to information creation in LGBTQ media." *PhD independent study*. [Floegel's solo-authored paper from this independent study won the best short paper at the 2019 ASIS&T Meeting.]
- 2018 Fall Dan Delmonaco, "Sex education, graphic medicine, and queer youth." *MI independent study*.
- 2017 Fall Shannon Taber, "Defining context for information seekers with visual impairment." *PhD independent study*.

Research assistants

- 2021-2022 Jordan Dias Correia, RA on "Towards fairness in mental health prediction apps."
- 2019-2021 Diana Floegel, RA on "Towards fairness in mental health prediction apps."
- 2016 Yiwei Wang, RA on "Interactive search and information use tactics of patients with chronic pain."

Teaching assistants

- 2022 Jordan Correia, Human information behavior (MI class)
- 2020, 2021 Kaitlin Montague, Health sciences information (MI class)
- 2019 Maria Ortiz-Myers, Human information behavior (MI class)
- 2018 Julie Aromi, Human information behavior (MI class)
- 2017 Eun Rha, Social informatics (ITI class)
- 2017 Jiqun Li, Human information behavior (MI class)

M.Phil student advising

- 2019-2024 Shannon Taber, Library and information science. Research interests: information seeking behaviors of visually impaired people, assistive technologies, voice search

Undergraduate supervision

Independent studies

- 2017 Fall Fairouz Khondeker, Information technology and informatics, Honors independent study. "Enabling America's aging population with assistive technology."

Research assistants

- 2018 Laura Pearlman, RA, health informatics curriculum study.
- 2017-2018 Kathy Lei, Aresty program RA chronic pain and social media study.
- 2017-2018 Michael Tombolini, Aresty program RA, chronic pain and social media study.
- 2016-2018 Norris Brown, RA, health informatics curriculum study.
- 2016-2017 Jeremiah King, RA, interactive information retrieval study.
- 2015 Sierra Gratale, RA, interactive information retrieval study.

Service

Service at Rutgers University

Department of Library and Information Science

- 2024 Member, Personnel evaluation committee, Faculty compensation program.
- 2023-present Chair, Curriculum committee.
- 2023-present Faculty mentor for Britt Paris.
- 2022-present Member, Personnel committee.
- 2021-2022 Member, Curriculum committee.
- 2020-2021 Organizer, LIS early career writing group.
- 2018-2019 Member, Faculty search committee.
- 2018 Member, iSchools Doctoral Dissertation award ad-hoc committee.
- 2016-2018 Member, Curriculum committee.
- 2017-2019 Member, Research development committee.
- 2016-2017 Member, Faculty search committee.
- 2016-2018 Member, PhD curriculum task force.
- 2016-2018 Faculty advisor, Rutgers student chapter of ASIS&T.
- 2016-2017 Chair, Research development committee.

School of Communication and Information

- 2024 Member, Appointments & Promotions Committee, Erin Christie (Assistant Teaching Professor, Department of Communication).
- 2017-2022 LIS representative, Master of Health Communication & Information Faculty Advisory Committee.
- 2017-present Member, SC&I Health and Wellness cluster.
- 2016-2017 Member, SC&I Research Development committee.
- 2016-2018 Member, Social Media and Society cluster.
- 2016 Member, PhD Social Media Course committee.

Rutgers, the State University of New Jersey

- 2018- Faculty Member, LGBTQA Faculty/Staff Liaison Network.
- 2017-2020 Member, PACE writer's group for tenure-track faculty.
- 2016- Member, TAs/GAs appeals committee.
- 2015-2016 Co-mentor, OASIS leadership and development program.

Service at the University of North Carolina at Chapel Hill

School of Information and Library Science

- 2013-2014 Doctoral student representative, Personnel committee.
- 2011-2012 Doctoral student representative, Research and doctoral committee.

Service to the Academic Profession

Service to professional organizations

2023-2024	Jury chair, ASIS&T Fellows Award
2023-2024	Chair, ASIS&T SIG-HLTH
2022-2023	Chair-elect, ASIS&T SIG-HLTH.
2021, 2022	Member, ASIS&T SIG-USE awards committee.
2019	Jury member, ASIS&T Social Informatics SIG best paper awards.
2018	Chair, Local organizing committee, 2018 CHIIR conference.
2017-2018	Member, ASIS&T education and professional advancement committee.
2017	Jury member, ASIS&T SIG-USE best paper and poster awards.
2017	Jury member, ASIS&T Clarivate Analytics PhD dissertation proposal scholarship.
2016-2019	Chair, New Jersey ASIS&T chapter.
2016	Jury member, ASIS&T SIG-USE best paper and poster awards.
2012	Panel organizer and moderator, Medicine 2.0, Boston, MA, Sept 15-16.

Grant review panels

2025	Reviewer, National Science Foundation (cancelled).
2020	Reviewer, National Science Foundation.

Editorial boards

2022-2024	Editorial Board member, <i>Annual Review of Information Science and Technology</i> .
-----------	--

Peer reviewing

- Regular journal reviewer: *Aslib Journal of Information Management* (since 2020); *Information Processing and Management* (since 2019); *International Journal of Drug Policy* (since 2018); *Journal of the Association for Information Science and Technology* (since 2013).
- Occasional reviewer: *Health Education Journal*; *International Journal of Medical Informatics*; *Health Information and Libraries*; *Journal of Documentation*; *Journal of Health Communication*; *Journal of Information Science*; *Journal of Medical Internet Research*; *Library and Information Science Research*; *PLOS One* (served as guest academic editor in 2017); *Social Science Information*.
- Regular conference reviewer: ASIS&T, CHIIR, iConference, SIG-CHI, SIG-USE.
